Parent/ Child night-
This is a special time between one parent and their

child. Please come prepared to receive a lesson from your child. It is an important event for your child and an event they take seriously. Please make every effort to attend.

You may sign up for your preferred time in the office by the bulletin board.

"If men had only used speech to communicate their thought, if their wisdom had been expressed in words alone, no traces would remain of past generations. It is thanks to the hand, the companion of the mind, that civilization has arisen.

The hand has been the organ of this gift that we inherit.
