November - 2012 Newsletter

November is one of my favorite months of the year. The days are getting cooler and you can smell the sweet scents of fresh baked goods in the air. At our school, Mrs. Koetsch will be preparing for this season by reading stories that are theme related and teach about: sharing, "We are thankful for", family and Native American Indians. Mrs. Pryszlak's arts and crafts and lessons will also compliment the theme. Together as a

team, we will teach the children to think about the less fortunate by sponsoring a food drive for "The Brevard Sharing Center." The food drive will run **Nov. 7-11**. Food items need to be non-perishable—Think Thanksgiving type of items, i.e. cans of cranberry, vegetables and soup, boxes of stuffing, broth boxes, gravy, corn-bread mixes, instant potatoes, etc. Helpful hint: check your pantries or watch for sales.

Parent/ child night: On this evening you will have the opportunity to be a student and your child will be your teacher; giving you lessons they have had. Due to limited space in the classroom, siblings may not attend, as these are one on one lessons. One parent per child, please. (see upcoming events for more details.)

Thank you to all of the parents for your donations on "orange" Day.
